

The Natural Choice

Welcome to Eastern Overseas Marketing Ltd. We invite you to view our items and we welcome your requests for new items that we can custom pack and private label for you.

Our success solely relies on our customer's financial success that they enjoy from working with our products. We have made financial investments with various producers around the world so that the product you request from us is produced in the exact manner that you demand, and that you deserve. We understand you have a choice where you can obtain your product and we value the opportunities our clients afford us.

Established in 1983, Eastern Overseas Marketing Ltd. has over 27 years of experience in importing fresh and frozen seafood products from all around the globe to a very diverse customer base.

In addition to our strength in supplies for the high end restaurant fish and seafood industry, we are now supplying retail markets our high quality East Over branded items. We are also a leading wholesale supplier in the Asian and other ethnic communities; supplying frozen scallop, lobster meat supplies, frozen shrimp in all forms, grey sole fillets, crawfish tail meat, frozen row and more.

Eastern Overseas Marketing Ltd. also distributes breaded products such as fish fillets, fish fingers, breaded shrimp and other specialty items like shrimp in a basket.

Many of these items can also be produced as a private label based on our buyer's request - please contact us for more information about this service.
